

NGA Small Business Strategy

- Maintain a robust Small Business Programs Office (SBPO)
- Continue involvement with new acquisitions
- Partner with large businesses to provide subcontracting and Mentor-Protege opportunities
- Aggressive outreach efforts to reach more small businesses
- Increase the number of Historically Underutilized Business Zone (HUBZone) contract awards
- Utilize our Small Business Specialists' involvement
- Collaborate with the workforce to bring awareness about small businesses
- Increase contracting opportunities for small businesses
- Stay actively involved and promote the inclusion of small businesses, especially HUBZone, SDVOSB, VOSB, and WOSB
- Actively communicating with Small Businesses to better understand their support needs

NOTE: This strategy is not inclusive
